

FALL 2016 WILDERNESS EVALUATION MEETINGS

GENERAL PUBLIC MEETINGS

Five general and five technical wilderness evaluations meetings are an opportunity to:

- learn about the wilderness characteristic criteria and how the wilderness evaluation is performed
- provide site-specific input for areas that will be evaluated for wilderness character

The general meetings will include opportunities to interact with Forest Service staff and provide comments. The technical meetings additionally provide more in-depth demonstrations and discussions of the evaluation process.

Date	Time	Hosted By	Address
